INDEX TO VOLUME XIII

JANUARY - DECEMBER, 1903

THE JOURNAL OF ELECTRICITY, POWER AND GAS

SAN FRANCISCO, CALIFORNIA

INDEX TO VOLUME XIII

Illustrated articles are designated by an asterisk (*) and editorials by a dagger (†).

A

Acknowledgment from Authority...†382
"After The Ions—What?"..... 257
A Legal Department.....†168
Allis-Chalmers Company's Annual Reports..... 294
Alternating and Direct Current Arcs*261
"American Methods Lead the World," by George Westinghouse..... 232
A Motor Driven Mine Hoist..... *366
An Arctic Power Plant..... †340
Announcement..... 383
Antiquity in Oregon, An Electrical.. 163
A Problem for the Pacific Coast Engineer..... 261
Arid Land Reclamation in California 138
A Small Engine Generator Set..... 321
"Art of Illumination, The," by Louis Bell, Ph. D..... 192

B

"Berliner Patent a Bauble, The"....†141

Biographical

Arnold, Bion Joseph.....*193
Behrend, Bernard A..... 98
Brown, C. H..... *100
Decker, A. W..... 96
Gerry, Jr., Martin Hughes.....*100
Knight, D. E..... *126
Sloane, Charles F..... *99
Weissblatt, Clarence.....*100

Book Reviews..... 342
Brooklyn Engineers' Club..... 366
Burning of Wooden Insulator Pins, The, by C. C. Chesney.....*145
Butte County Gas and Electrical Systems.....*170
Butte Lighting and Power Company*179

C

Canadian Westinghouse Company Organized..... 386
Canyon Ferry, Three Innovations at *152
"Cheap Power in Perpetuity" .....†230
Chloride Accumulators in Railway Service..... 275
Chloride Batteries and Sparking Cells..... 235
"Circuit Breakers, Automatic Polyphase".....*122
Circuit Breakers, The G. I. Laminated.....*195
Circuit Breakers, The "S.K.C."....*253
"Compound Engines," by F. R. Low 193
Compressed Air in Mining Duty.... 150
"Commutator Brushes, Concerning Graphite"..... 235
Converter, The Hewitt. *155
Crane, The Tale of a Gray-necked ..*190
"Crude Oil as Fuel," by A. M. Hunt 226

D

Decoration of Professor A. Van der Naillen..... 272
"Design of Dynamos," by S. P. Thompson..... 191
Development of the Gas Engine....†340
Discussion of the Seventh Annual Convention of the Pacific Coast Electric Transmission Association.....281, 309
"Does Transmission Pay?"..... 136
Dredge, The Great Portland..... 111

E

"Earth's Heat, Power from the," by William Hallock..... 132
Edison Electric Company (The) of Los Angeles..... *9
Elblight System in San Francisco, The.....*236
Electric Brake for Trolley Cars....*381
"Electricity as Applied to Mining," by Messrs. Lupton, Parr and Perkins..... 191
Electricity in the World of Engineering by Charles F. Scott... 186
Electricity Versus Steam.....†293
Electric Power for Mining Purposes. 279
"Engineering, An Example of Proper"..... †141
Experience Department Pacific Coast Gas Association..... 377
"Explosion, The Lessons of a Serious," by W. Stuart Smith..... 101

F

"Firefly's Secret, The".....†140
Fuel Oil, Influences of the Development of..... 82

G

Gas Distribution, High Pressure, by George F. Goodnow..... 185
"Gas Engine Cylinder Heads, Packing..... 236
"Gas Engines in Great Units," by Professor J. J. Flather..... 229
"Gas Engines, The Application of Crude Oil to," by Frank H. Bates..... *207
Gas in England, Cost of..... 103
"G. I." High Tension Switches.....*295

H

"Heald's School of Mines and Engineering"..... 121
"Hewitt Vapor Lamp and Converter, The".....*154
High Tension Oil Circuit Breaker, The Westinghouse.....*112
High Tension Switching on an Heroic Scale..... .....*164

I

Important Decision of Tesla Split-Phase Patents..... 383
Inspection in San Francisco.....†168
Insulators, Data of "Provo" High Tension..... 115
Insulator Shooting a Penal Offense.. 103
Insulators, Institute Discussion on Testing..... 245
"Insulators, The Testing of," by F. O. Blackwell.....*143
Insulator, The Gerry 50,000-Volt....*154
Insurance Interests, Electrical and..†250
"In the Far West"..... †80
"Introductories" to Discussions on Power Transmission, Four..... 143
"It Is Coming Westward".....†230

K

Kilbourne-Clarke Agencies, New.. 235
Korea, American Electric Machinery in *106

L

Lamp, The Hewitt Vapor..... 154
"Lay Press Sounds the Slogan, The"†188
Liquid Air..... 368
"Lines, The Influence of Graded"†189
Line Wires, Institute Discussion on Location of Power and Telephone..... 245

Literature

"Electric and Magnetic Currents," by Ellis H. Crapper.... 42
"Electrical Influence Machines" 342
"Engineering Preliminaries for the Interurban Electric Railway"..... 342
"Notes on Electric Railway Economics and Preliminary Engineering," by W. C. Gottshall 381
"Register of Mines and Minerals of Sierra County, Cal.".. 343
"Reynolds Corliss Engines".... 343
"San Francisco and Thereabouts" 103
"Steam Power Plants," by Henry C. Meyer, Jr..... 191
"Tahiti the Golden," by Charles Keeler..... 193
"Telephony" by Arthur V. Abbott, C. E..... 275
"The Banker and Miner of Mexico"..... 275
"Worm and Spiral Gearing".... 103

"Local Distribution of Transmitted Power"..... 265
"Lombard Governor Sales, Recent" 235
Long Distance Power Railway Service..... 263

M

PAGE

Marysville Gas and Electric Company *127
"Mexico, New Electrical Work in," by Guy O. Pierce *247
"Mining and Milling, Electric Power for," by John B. Tregloan 150

N

Nernst Lamp, The Perfected, ... *255
New Electrical Ordinance 274
"Niagara Service, Lightning Interrupts," by Frank C. Perkins *137
Nimshew Plant, Site of the *139
Nimshew Power House Installation. 386
"Nodon Electric Valve, The" ..... †155
North Shore Third Rail System ..... †316
Notice of Eleventh Annual Meeting of the Pacific Coast Gas Association 271

Obituary

O

Thomas Chalmers 294
Organization of the Operative Forces of a Transmission Plant 277
Our Customers and Their Complaints 372
Our Next Annual Number ..... †340

P

"Pacific Cable, Laying of the Trans-" by A. G. McAdie *3
Pacific Coast Gas Association Convention ..... †292
Pacific Coast Gas Association ..... †364
"Pelton Installations, Some New and Important" 234
"Petroleum and its Uses, California," by A. M. Hunt *197
"Petroleum from a Chemist's Standpoint," by Professor Edmond O'Neill *203
Pin, Institute Discussion on a Proposed Standard Insulator 243
Pins, Institute Discussion on the Burning of Wooden 246
"Pin, Specification of a Proposed Insulation" *148
Pittsburg Electric Club, The 187
Poles, Life of Creosoted Fir 139
"Pomona Plant, Some Relics of the" *232
"Power in the Grand Canyon of the Colorado" *104
Proceedings of the Pacific Coast Gas Association 323, 367
Report of Secretary-Treasurer ... 323
Report of Board of Directors 324

PAGE

Proceedings of the Pacific Coast Gas Association—
Report of Library Committee 325
President's Address 326
The Practical Protection of Metal Surfaces in Gas Plants 330
High Pressure Gas Distribution. 337
High Pressure Gas Distribution—Continued *347
Communications 341
Publications 342, 381
Pumping by a Proposed Kings River Transmission *237

R

Recent Aluminum Orders 321
"Roof Insulator, An Extreme High Tension *153
